PROFESSIONAL SUMMARY

MCA student and Data Analysis Intern with a BCA background and 9.19 CGPA. Skilled in Python, SQL, Excel, Power BI, Pandas and NumPy, with hands-on experience in data cleaning, visualization and interactive dashboard development. Strong analytical, problem-solving and communication skills with a focus on turning data into actionable insights.

INTERNSHIP

Infosys Springboard – Data Visualization Intern | 2026

- Worked on data visualization and dashboard development using Power BI as part of the Infosys Springboard virtual internship.
- Developed a hospital analytics dashboard using admissions, patients, beds, facilities, staff and treatment datasets.

TECHNICAL SKILLS

Data Analysis: SQL, Python, Pandas, NumPy, Excel, Power BI, Power Query

Data Visualization: Power BI dashboards, KPI cards, charts, slicers, trend analysis

Programming: Python, C, C++

Concepts: Data Cleaning, Data Analysis, Basic Statistics, Data Visualization, AI Fundamentals

Soft Skills: Communication, Problem Solving, Time Management, Teamwork

PROJECTS

Hospital Analytics Dashboard – Infosys Springboard

- Built an interactive Power BI dashboard to analyze hospital admissions, patient demographics, bed utilization, facilities, staff and treatment trends.
- Created KPI cards, charts, trend analysis and slicers for interactive filtering and quick decision-making.

Academic Performance Dashboard

- Developed a Power BI dashboard to monitor student academic performance and attendance.
- Used KPI cards, interactive visuals, slicers and trend analysis to compare academic metrics and support performance monitoring.

EDUCATION

MCA – Sandip Institute of Engineering and Management, Nashik | Pursuing

BCA – 2025 | 9.19 CGPA

HSC – 2022 | 76.80%

SSC – 2020 | 79.80%
